Testimonials

As promised it was excellent. We appreciate the various accommodations to our 200+ employees! Office chatter after the event was great and you will certainly be hearing from us soon, thanks again!

Washington State was an office favorite! Recipe for the bread pudding please :)

Thanks for your help piecing together the menu...People were VERY indecisive as they wanted to try everything!! Round two has already been requested, HAHA.

Thank you for your awesome execution on short notice. You have become an employee favorite and we look forward to seeing you back next week!
